# NEW EXCITING K-FOOD CONCEPT

Derived from the comfort of home-cooked food and the rich history that stemmed from the Korean war back in 1940s, Ojju K.Food was established in Indonesia bringing the same Korean traditions in culinary and lifestyle, and modernize it to capture the hearts of the local diners.

Ojju K.Food offers selections of comfort Korean cuisines that transcend through generations in Korea, and have nourished many families with nutritious combinations of protein, vegetables and carbohydrates in traditional Korean tasty gochujang-based stew.
